

**“American Is My Favorite Language”  
Music and Lyrics by Tyler Burns, © 2012**

**Verse 1**

Land of the free  
Home of the brave  
Brave to be predictable  
Cradle to the grave  
Talk about the weather  
Make a change of plan  
Move into a penthouse  
Uptown  
With another man

**Chorus**

American is my most favorite language, could  
You make up one as good?  
(American is my favorite language)  
All of the others don't sound quite as nice to me  
I heard them on TV  
(American is my favorite language)

**Verse 2**

Diamond ring  
Fiancée  
Selling stocks  
For DNA  
The tribe of Umatilla  
Sure is makin' ...strides  
They promised me a casino suite  
That is  
If I pimped their rides
